Education Safeguarding Service

The Education Safeguarding Service (ESS) offers training, resources and advice to Maintained Schools, Academies, alternative providers, LA Education services, Independent Schools and FE colleges. Booking for all ESS courses must be made by completing booking forms and emailing Sophie Morley at the address below. Confirmation will then be sent to you. Warwickshire Safeguarding Children's Board (WSCB) Multi-Agency courses on WILMa must be booked directly (see below)

Training for Designated Safeguarding Leads

Each school and college should have a designated safeguarding lead (DSL) and at least one deputy DSL, whose role is to support staff members to carry out their safeguarding duties and liaise closely with other agencies such as Children's Social Care. This training should be updated every two years. If you are unsure where you are on the training cycle please do not hesitate to contact Sophie Morley.

Safer Employment Training (Recruitment)

The new Safer Recruitment training programme was launched on 1st September 2014. Whilst based on the original programme, the updated material takes account of new information about the behaviour of sex offenders; strategies to safeguard young people from abuse in schools, colleges, early years and other settings; and the detail of pre-employment checks including DBS checks as set out in *Keeping Children Safe in Education*.

Based on an understanding of offender behaviour, the training enables delegates to:

- identify the key features of staff recruitment that help deter or prevent the appointment of unsuitable people
- consider policies and practices that minimise opportunities for abuse or ensure its prompt reporting
- help participants begin to review their own and their organisations' policies and practices in recruitment with a view to making them safer

PLEASE NOTE

- If you completed this course before 1st April 2015, we recommend that you refresh this training as there have been a number of significant changes.
- this is not a comprehensive workshop on staff recruitment and selection

Please find attached to the email and below the new training flyer and booking form for courses for the remaining academic year and next years.

Included in the flyer are:

- Child Protection Training for newly appointed DSLs
- Designated Safeguarding Lead Refresher Training
- Safer Employment Training
- Protective Behaviours Training
