SAFEGUARDING BULLETIN

July 2021

FAO All Headteachers and Designated Safeguarding Leads

Dear Colleagues, I hope you are all well.

MASH

The MASH is undergoing a transformation. How the systems operate and how staff will be responding to calls is being updated and improved. We will be supporting practitioners with the implementation of an **Integrated Front Door**, in which we will have a specialist triage hub to responds to referrals. As part of the journey, we are changing how you contact us, please see the below:

mash@warwickshire.gov.uk mailbox is being phased out and although the mailbox will continue to be monitored, we are informing agencies of our new contact email addresses which are now live.

The new email address is: triagehub@warwickshire.gov.uk

For CAFCASS and Local Authority checks for prospective foster carers/adopters notifications please send to: notifications@warwickshire.gov.uk

For any other queries please send to: mashbusinesssupport@warwickshire.gov.uk

Much more information in relation to the Integrated Front Door will be sent out in due course.
