### Emergency Contact Numbers

Summer Schools  
Letter sent Easter 20

Please see above letter just sent out to all schools, colleges and Education providers. Many heads and DSLs are used to receiving a version of this letter during the summer term in readiness for the long summer holiday.

In order to ensure our records are up to date – not least so that we do not contact anybody who is no longer a DSL – may I please ask you to fill in the attached form, providing contact details for all trained DSLs who will be able to cover child protection matters during the school holiday.
