Dear All

**Re: CAMHS**

Due to the reshaping of CAMHS services taking place with the social work teams, I thought you may find the attached an interesting resource to refer to - it includes e-learning materials on mental health issues in families, children and young people and can be accessed via the link below.

This page would be useful to highlight as a starting point for them

**FGM**

Please find attached a copy of a useful FGM toolkit and leaflet.

Hope this is useful.

Many thanks
