

Vanguard Bitesize Session: Vicarious and Organisational Trauma

In this session we will look at the potential risks to staff when working with and supporting those who have experienced trauma. We will explore what staff may experience in regard to the impact to their emotional health at work, what factors could potentially increase vulnerability for this, and suggestion of protective elements to reduce harm for practitioners working with young people.

WHO IS THE TRAINING AIMED AT?

- Anyone who works with and supports children, young people and families across Coventry and Warwickshire. This can include practitioners and those staff within leadership teams

DATE & TIME
