

**Integrated Children and
Families Front Door & what
makes a good referral**

The training will equip those in attendance with an accurate understanding of how the Children and Families Front Door operates, the processes and procedures and the principles guiding practice and decision making. Professionals will understand what children services are looking for in a good quality referral in order to ensure that all the relevant information is provided to enable a timely response.

WHO IS THE TRAINING AIMED AT?

- Professionals working with children and safeguarding partners

DATE & TIME

- Tuesday 12th March 2024 (10:30-12:00pm)
