

Learning from Safeguarding Reviews

The training will explore the role of Child Safeguarding Practice Review's (CSPR's) and Safeguarding Adult Review's (SAR's) for improving systems and practice and will reflect on local and national reviews to consider re-occurring themes and their impact on practice.

WHO IS THE TRAINING AIMED AT?

- All staff working with children and families and/or adults with care and support needs and their carers

DATE & TIME

- Tuesday 23rd January 2024 (10:00-11:30am)
- Tuesday 9th July 2024 (2:00-3:00pm)

Delivered virtually – via Microsoft Teams

LEARNING OBJECTIVES

- To provide feedback on published reviews, key themes and learning
- Information and case studies reflecting on local and national safeguarding reviews
- Consideration of re-occurring themes
- Discussion to consider what can be done differently and impact on practice
