

**Using the Mental
Capacity Act in the
context of Safeguarding
and Self-Neglect**

Using learning from local cases this session will look at how to apply the Mental Capacity Act in the context of adult safeguarding and situations where there is self-neglect. Delivered by Social Care & Support.

WHO IS THE TRAINING AIMED AT?

- Frontline staff and managers working with adults

DATE & TIME

- Monday 19th February 2024 (10:00-12:00pm)
 - Wednesday 18th September 2024 (10:00-12:00pm)
- Delivered virtually – via Microsoft Teams

LEARNING OBJECTIVES

- Learning from local cases, how to positively use the Mental Capacity Act in situations with safeguarding and self-neglect
- How to use the assessment and best interest processes to engage families and other professionals to manage disputes, build consensus and identify ways forward
- Understanding roles and responsibilities including the decision maker, Lasting Power of Attorney and the Court of Protection.
