Warwickshire Safeguarding Resources: Keeping Children Safe Online

Warwickshire Safeguarding has produced a 'One Stop Shop' providing information for children and young people, their parents and carers and those professionals who work with them. The resources provide a range of information to help children to safely enjoy the online world as well as providing information about services that can offer support and advice

Children & Young People

- Click here to access information for children and young people to support them if they are worried about something that has happened online and advice to keep them safe

Parents & Carers

- Click here to access information for parents and carers to help them keep their children safe online and information about where to go for further advice
- Click here

Professionals

- Click here to access information for professionals working with children and young people as well as links to training and learning resources
