### WARWICKSHIRE SAFEGUARDING ADULTS BOARD

The Warwickshire Safeguarding Adults Board ['WSAB' or 'the Board'] is established by Warwickshire County Council ('the Council') under section 43 of the Care Act 2014 and the Care and Support Statutory Guidance (October 2014) ['the Statutory Guidance'].

#### **1. AIM**

1.1 The aim of the Board is to ensure the effective co-ordination of services to safeguard and promote the welfare of adults in accordance with the Care Act 2014 and the Statutory Guidance.

1.2 The Board aims to achieve its objectives whilst supporting individuals in maintaining control over their lives and in making informed choices without coercion. In achieving this, the following 6 key principles must be followed:

- Empowerment:  
Presumption of person led decisions and informed consent.
- Prevention:  
It is better to take action before harm occurs.
- Proportionality:  
The least intrusive response appropriate to the risk presented.
- Protection:  
Support and representation for those in greatest need.
- Partnership:  
Local Solutions through services working with communities.
- Accountability:  
Accountability and transparency in delivering safeguarding.

## **2. OBJECTIVES**

2.1 The Board's objective is to improve local safeguarding arrangements and ensure that members and partners act to help and protect adults at risk or experiencing neglect and/or abuse. The WSAB is a multi-agency strategic Board that will coordinate the strategic development of Adult Safeguarding across Warwickshire and ensure the effectiveness of the work undertaken by Partner Agencies in the area.

2.2 Whilst WSAB has a role in coordinating and ensuring the effectiveness of work being done by local individuals and organisations in relation to safeguarding and promoting the welfare of adults, it is not accountable for their operational work. Each Board Partner has their own existing lines of accountability for safeguarding and promoting the welfare of adults by their services. The Board does not have the power to direct other organisations. In accordance with the Statutory Guidance, the statutory members of the Board should have in place a Designated Adult Safeguarding Manager who will provide relevant information to the Board.

2.3 The Board will receive and scrutinise regular quality-assurance reports by individual agencies annually (as a minimal requirement) to identify good practice and highlight any shortcomings within agencies. If shortcomings are identified, the Board and the agency in question will agree a remedial action plan. The implementation and resulting impact of the action plan will be reviewed by the Board.

2.4 If the Board is not convinced of the adequacy of the planned action to improve practice, the Board Chair, in consultation with the Director of Adult Social Services ['DASS'], will explain these concerns to those individuals and organisations concerned and seek to provide support and ensure adequate action is taken to improve practice. The process and progress of this course of action will be reported to the Local Authority Chief Executive by the Chair.

## **3. FUNCTIONS**
